

# High School Discussion Guide

*From Generation to Generation: For the week of November 13 - 19, 2022*

---

## Main Thought and Scriptures:

*“For he issued his laws to Jacob; He gave his instructions to Israel. He commanded our ancestors to teach them to their children, so the next generation might know them—even the children not yet born—and they in turn will teach their own children.” (Psalm 78:5-6 NLT)*

*“Get all the advice and instruction you can, so you will be wise the rest of your life. You can make many plans, but the Lord’s purpose will prevail.” (Proverbs 19:20-21 NLT)*

*“Good people leave an inheritance to their grandchildren, but the sinner’s wealth passes to the godly.” (Proverbs 13:22 NLT)*

*“Teach these things and insist that everyone learn them. Don’t let anyone think less of you because you are young. Be an example to all believers in what you say, in the way you live, in your love, your faith, and your purity.” (1 Timothy 4:11-12 NLT)*

Part of the calling to live “beyond” is to live beyond our age group. Often we only think about our generation and what we need. Yet, the Bible teaches us that we need to seek wisdom from older generations, pour into the younger generations, and reach out to all generations. How well we do those three things affects our generation and generations to come.

## Discussion Questions:

- Which one of these scriptures from today is the most encouraging to you? Why?
- Out of these three things (seeking wisdom from older generations, pouring into the next generation, and reaching out to people from all generations), which do you feel you could be better at?
- What’s one lesson you can take away from today’s discussion? How can you apply that to your life now?

## Prayer Points:

- What do you need prayer for? Pray for the needs of each other.
- Pray that God would help you bridge the gap and pass the Gospel down from generation to generation.
