

# High School Discussion Guide

**Healthy Purpose:** For the week of August 30 - September 5, 2020

---

## Main Thought & Scriptures:

*"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God." (Hebrews 12:1-2 NIV)*

As we continue to navigate through the rest of 2020, there is a lot of uncertainty about what will happen for the last quarter of the year. Our response can either be to wait for the pandemic to pass or we can strive to see God's purpose to be fulfilled in our lives. Our purpose is to love God by helping others know and love God too. As we choose to live our lives for God and the purpose he calls us to, we discover true joy through anything we may face in this life.

## Discussion Questions:

- What stood out to you from the main thought and scripture above? Why do you think it is important for us to help others know who God is and start a personal relationship with Him?
- Who is one person that God is clearly calling you to share your faith with? What are you going to do about it?

## Prayer:

- Pray for each other to have a special anointing to share your faith in Christ with others.
- Pray for a specific person that God is calling you to reach.
