

Miracles Begin with a Conversation Leadership Group Guide - January 2023

Every miracle Jesus performed started with a conversation. In this month's Leadership Group Podcast, Pastor Billy Lile and Michelle Pecson discuss how beginning a conversation with those around us can lead to powerful opportunities to pray and believe for them to experience God's presence and power. God wants to unleash miracles, signs, and wonders through His church, and our responsibility as His church is to step out in faith and pray for them.

Discussion Question & Application (45 minutes):

1. Share what stood out to you most from the podcast's teaching.
2. Share an example of when you started a conversation with someone that led to you praying for a need in their life. What happened? How are you currently creating time in your day to have conversations and pray for those around you?
3. How can you encourage your group members to do the same?

Prayer Points (15 minutes):

1. Pray that our groups will commit to living out "SALPT" in their everyday lives.

In 2023, we are believing God for miracles that will testify to his power and create new opportunities for the gospel to advance. Pearlside Church will be joining our Every Nation Global family of churches in a time of prayer, fasting, and consecration.
