SET APART - CONSECRATING OURSELVES TO GOD'S PURPOSES
Leadership Group Guide - January 2024

What a powerful week of prayer and fasting! Fasting is a spiritual tool God uses to advance His Kingdom, change the destiny of nations, spark revival, and bring breakthroughs in people's lives. Every Nation Churches and Campus Ministries—of which Pearlside Church is a member of—begin each year with prayer and fasting to humble ourselves before God, consecrate ourselves to him for the upcoming year, and corporately agree for breakthroughs.

We entered 2024 with the goal of living "Set Apart"; having a more thoroughly biblical view of holiness that glorifies God, transforms our hearts, and increases our missional passion. As you reflect on your fast, share the following and pray with each other:

1. What personal revelation of Holiness did God call you to? What are the practical steps you are going to take to live this out?
2. How is God challenging you in your leadership to use your God-given gifts and talents to serve your small group and your congregation better this year? What is your next step?

You may not be able to gather your entire LG this month, but we do encourage you to have conversations with your leaders. Also, encourage your leaders to have this conversation with their tripods.

Thank you for helping people to know God, follow God, discover their purpose, and make a difference by helping others do the same. Our groups are imperative in the church's mission to share the Gospel and make disciples. Without you, we would not exist. Let's continue to make disciples together in 2024 and beyond!
