Main Thought:

We were created in the image of God who existed in perfect relationship before creation. Therefore, we were made to be in relationship both with God and with others. In order for people to survive, there needs to be a connection with others. There is a desire in all of us to belong. As Christians, we cannot walk this walk of faith alone. God has placed people around us for us to be in relationship with.

Main Scripture:

"A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken." (Ecclesiastes 4:12 NLT)

Discussion Questions:

- Are you in a small group? If not, what do you think is holding you back?
- Who is someone you can trust to point you back to Jesus and encourage you?
- Who is someone that you can point to Jesus?
